building. The business is a sole proprietorship and was established September, 2009. The business name is G Bella Salon, and is a small cosmetology establishment with no employees or contractors. The current value of the business is negligible, as there are presently no assets. The

business is of inconsequential value and benefit to the Estate or creditors. Nonetheless, the good will value of the business, were it to be sold, is \$500. The premises are rented and there has been no Real Property purchased in connection with the business.

MOTION

Petitioner in this Bankruptcy proceeding is requesting that the Court grant a Motion to Compel Abandonment, with regard to the business, G Bella Salon. The circumstances for said request is as follows:

- 1) The Court has Jurisdiction over the Motion
- 2) A mechanism in the Bankruptcy Code allows the Court to consider and to permit Abandonment;
- 3) It is appropriate that debtor declares Abandonment, pursuant to section 544;
- 4) There is no dispute that the business is of no value to the estate or creditors in this matter.

Petitioner sincerely appreciates the Court's consideration and does respectfully pray the Court will grant this Motion to Compel Abandonment. In that while the business has no monetary value, it serves a purpose in motivation, aspiration and pride for the Petitioner. Presently, Debtor strives to recalibrate and maintain a sense of dignity, while moving forward in life with a semblance of hope. The business aids in that hope. Additionally, appropriate paperwork has been filed with the California Secretary of State to establish the business as a

non-profit entity — a place for adolescent females who are survivors of abuse. The business serves as a meeting place for interested persons — such as victims, mentors and advocates.

DECLARATION

In an effort to convey transparency, Petitioner submits that there is a reasonable expectation of future prosperity; however, such success will be primarily derived from outside entrepreneurial ventures with minimal assets being generated from this business.

Finally, given what is at stake, this Petitioner falls upon the mercy of the Court and request that the Motion to Compel Abandonment be granted and that the Chapter 7 Trustee be directed to act accordingly.
